EASTER ACTIVITY BOOK

Answer the Questions

Carefully read the text and answer the questions.

Easter is a Christian holiday that happens in the springtime. Christians celebrate Easter Sunday as the day Jesus came back to life. It is a time when we celebrate new beginnings and new life. We often see bunnies and chicks during Easter because they represent new life and growth. We eat eggs and hot cross buns too. The buns symbolise Jesus' death on a cross. Many people like to decorate eggs and have Easter egg hunts with their friends and family.
